

California Information Sharing Disclosure

(FOR EMPLOYEES or FORMER EMPLOYEES ONLY)

California Civil Code 1798.115(c), 1798.130(a)(5)(c), 1798.130(c), and 1798.140 indicates that companies should disclose whether the following categories of information are collected, transferred for consideration, or transferred for an organization’s “business purpose” as that term is defined under California law. Note that while a category may be marked that does not necessarily mean that we have information in that category about you. Please also note that nothing in this disclosure should be construed to concede that Black Knight or any of its affiliates is a “business” as that term is defined under the California Consumer Protection Act (the “CCPA”).
